

Fountain Valley Regional Hospital & The Fountain Valley Firefighters Association

# 4th Annual Charity Golf Invitational

Wednesday, June 24, 2009 • Oak Creek Golf Course, Irvine

## What We're Playing For..

Each year, Fountain Valley Regional Hospital and The Fountain Valley Firefighters Association join together to raise money for important local charities through our Annual Charity Golf Invitational. Since 2005, we've raised more than **\$230,000** for local non-profit charities.

### 2009 Selected Charities -

#### Joni's Angels

Joni's Angels provides a window of time to the families of children diagnosed with long-term illness so they may tend to other life matters.

Their child enjoys positive interaction and therapeutic play with a Joni's Angels volunteer in the hospital pediatric environment through reading, crafts, games, movies, or simply benefits from the company so they are not alone.

#### Fountain Valley Community Foundation

The Fountain Valley Community Foundation serves the needs of its community by providing financial assistance for needed local programs.

Through its efforts, the FVCF assists residents with special needs including; housing, transportation, and education, and aids in the well being of the community in the areas of physical fitness, sports programs, and education. The foundation also provides educational grants to qualifying individuals to help offset registration fees and other necessary education expense. The FVCF also funds capital projects that meet the needs and goals of the community.
